It makes no difference how had your Catarrh or Asthma may be, the very first use of this trentment will bring you INSTANT relief. I tell you to descend upon it absolutely.

pend upon it absolutely.

For all those years I went about half ashamed of myself, always conscious of the nauseating and discusting practices I was forced to indulge in. I couldn't help hawking, spitting, sneezing and blowing my nose, no matter where I happened to be (just as you do if you are a catarrh victim), and I was well aware that people shunned me like a leper and kept away from my vile breath and flithy habits as much as they could.

After I had tried about everything thaif a hundred different remedies), I learned of this wonderful Swiss treatment and had proved to me seme of the remarkable results it had brought about. I tried it, and was hetter in an instant, in just a short time I was well and free from that awful catarrh.

I was so pleased, so thankful, that

Consideration of Application of Railroads for Increased Rates Will Be Taken Up.

Washington, April & Argument on the application of Eastern railroads for a 6 per cent freight rate increase will begin before

by railroads operating in official classification territory?

All cellateral questions and extraneous
issues will be put adde until this question
has been determined.

If the commission should decide that exlating rates are adequate to the carriers
needs that will terminate the proceedings,
if, however, it should be decided that praent revenues of the railroads are not adequate, the second question. "If not, what
general course may carriers pursue to meet
the situation?" will be argued perhaps at
a later time.

The real problem before the commission,
if it should find present revenues inadequate,
is whether the additional needed revenue
shall be railed by an advance in rates or, at
least in considerable part, by a charge
against shitters for virtues work of der-
